France

Dear Madam, Sir,

The city of [... *name of the institution*...] confirms its commitment to actively participate in the URBACT National practice transfer initiative from June 2021 to December 2022.

Under this framework, our city administration commits to receive and adapt the practice from the city of Brno, developed under the URBACT transfer network OnStage, on involving students from socially excluded areas in music education as one of the tools for social change.

As such the city will identify at least a project coordinator to follow activities foreseen, set up a group of local stakeholders to facilitate the transfer, adaptation and implementation of the good practice, participate and host meetings when necessary, and liaise with the transfer city Brno, National URBACT Point and other relevant stakeholders.

Yours sincerely<sup>1</sup>
